

About Friends of Henry Horton State Park (FoHHSP)

FoHHSP was created to preserve, promote education, including the outstanding natural, geological, biological, cultural, historical, educational and recreational facilities of Henry Horton State Park to the community through activities; to promote environmental conservation and wilderness resource protection and awareness. Membership is open to all persons and businesses interested in promoting these activities. Contact Cecile Wiser (cpwiser@gmail.com) for more information about becoming a FoHHSP member.

*Plan a day of fun for you and
your family at
Henry Horton State Park.*

In addition to the 18-hole championship golf course, Henry Horton State Park is well known its inn and cabins, campgrounds and trap and skeet range. The 1,140-acre park has three hiking trails where you may see a variety of wildlife such as wild turkey, deer and many kinds of wildflowers. Summer months bring hours of family enjoyment whether it's swimming in our Olympic-sized pool, fishing along the Duck River, playing volleyball or basketball, or having a picnic, Henry Horton State Park has a lot to offer.

The Buford Ellington championship golf course at Henry Horton State Park is one of the finest courses in the state of Tennessee. The course measures 5,625 yards from the Forward tees and 7,020 yards from the Championship tees. This challenging course is heavily treed with hardwoods and contains 37 bunkers. Although the length may scare some golfers away, the fairways are generous in width and the greens larger than average. There are three sets of tees to accommodate every skill level and a friendly staff waiting to insure an enjoyable round of golf.

Two holes of distinction are #10 and #14. The Signature and number one handicap hole, #10 is a par 4, 461-yard uphill dogleg left with the green guarded by a bunker on the right. Number 14 is a 259-yard par 3, one of the longest par threes in Tennessee.
